Balagué Claudia (UNR, Argentina)
Bujan Elba (UNC, Argentina)
Chessa de Silber Juana (UNRC, Argentina)
Donati Edgardo (UNLP, Argentina)
Fernandez Cirelli Alicia (UBA, Argentina)
González David (UdelaR, Uruguay)
González Sierra Manuel (UNR, Argentina)
Hoyos de Rossi Rita (UNC, Argentina)
Mata Ernesto (UNR, Argentina)
Matulewicz Cristina (UBA, Argentina)
Montico Sergio (UNR, Argentina)
Narda Griselda (UNSL, Argentina)
Olguin María Catalina (UNR, Argentina)
Olivieri Alejandro (UNR, Argentina)
Pierini Adriana (UNC, Argentina)
Rizzotto Marcela (UNR, Argentina)
Salas Peregrin Juan Manuel (Universidad de Granada, España)
Sbarbati Nudelman Norma (UBA, Argentina)
Spanevello Rolando (UNR, Argentina)
Suarez Alejandra (UNR, Argentina)
Szpoganicz Bruno (Universidad de Santa Catarina, Brasil)
Tundo Pietro (Universidad de Venecia, Italia)
Van Doorslaer Sabine (Universidad de Amberes, Bélgica)
Varela Oscar (UBA, Argentina)
Vazquez Patricia (UNLP, Argentina)
Volesky Bohumil (Universidad McGill, Canadá)

A wide-angle landscape photograph showing a valley with two reservoirs. The foreground reservoir is filled with water, reflecting the sky and surrounding terrain. The middle ground features a second reservoir, and the background is dominated by large, rugged mountains covered in snow. The sky is filled with white and grey clouds. The overall scene is a winter or high-altitude landscape.

We wait for all of you, on October 14th ,2012
at Malargüe.
